

Visa for medical treatment

If you are going to Germany to receive medical treatment for duration no longer than 90 days you need to apply for a visa for medical treatment.

The processing of an application for a visa for medical treatment takes approximately **two weeks**. The visa application can be submitted at the earliest **3 months prior** to the planned trip.

Before submitting your application, please prepare **all** of the following documentation. Incomplete documentation may result in the rejection of your application.

You have to submit your application **in person**. All documents need to be presented in the **given order in original**. Should you wish to keep any originals, kindly provide an additional copy.
