

Information sheet: national visa

Visa for students (Section 16b Residence Act)

Basic information

- Please check the basic information on the website first
- The German mission is only competent should you have your permanent residence in Tanzania
- Documents not in the German language must be submitted with a certified German translation. A translation of the personal data page of the passport is, however, not required.
- Certificates, diplomas, etc. must be presented in the original with apostille/legalisation. Your original documents will be returned to you once your application has been processed.
- As a rule, visa applications must be approved by the relevant foreigners authority in Germany. The visa can only be issued when this approval has been received.
- **Processing time is as a rule ca. one month once application is complete** but can take longer in individual cases.
- Flight reservations are not required to apply for a visa – please only book when you have received your visa.
- The mission abroad reserves the right to request further documents.
- Missing documentation delays the procedure and can result in your application being rejected.
- **Please do not contact the mission abroad to check the status of your application during the normal processing period.** Such inquiries are extremely time-consuming for the visa section and can thus not be answered.

To stay in Germany the applicant must have at their disposal at least 934 € per month. Proof must be submitted with the application of financial means for at least one year, which is at least 11,208 € (for example, in the form of a blocked account or a formal undertaking by a third person to cover all costs).

Unlike other visa applicants, **university applicants without an admittance notification** who are applying for a visa pursuant to Section 17 (2) of the Residence Act must have at their disposal at least 947 € per month (11,364 € per annum).

Scholarship

Proof of scholarship including amount being covered.

In the case of financing in the form of a blocked account: Open the blocked account **in good time BEFORE** you apply for a visa. When applying for a visa, **only the official confirmation of the opening of the account** including information on the amount paid in and the amount available per month will be accepted. A confirmation which does not include this information is not sufficient. Opening a blocked bank account is a contract under private law. The embassy can therefore not make any recommendations. You

have free choice of provider. For more information, see <https://www.auswaertiges-amt.de/en/sperrkonto/388600>

Proof of adequate health insurance cover

If as a student you want to take out statutory health insurance, you must bear in mind that this insurance can only begin when you take up residence in Germany and after enrolment. If you enter Germany beforehand, private health insurance must be taken out for the period prior to enrolment and registering for statutory health insurance. In its terms and conditions, travel health insurance can exclude protection if a long-term or permanent stay is planned. So-called incoming travel insurance can also contain such exclusions.
