- Certificates, diplomas, etc. must be presented in the original with apostille/legalization at the time of your interview.
- The visa must, where applicable, be approved by the Federal Employment Agency and the competent foreigners authority. The visa can only be issued when these approvals have been received.
- **Processing time is circa six weeks** but can take longer in individual cases.
- Flight reservations are not required to apply for a visa – please only book when you have received your visa and refrain from booking before.
- The mission abroad reserves the right to request further documents at all times.
- Missing documentation delays the procedure and can result in your application being rejected.
- **Please do not contact the mission abroad to check the status of your application during the normal processing period.** Such inquiries are extremely time-consuming for the visa section and can thus not be answered.
